

Good morning brilliant Bright Stars,

we hope you've had another fab week at home with your family finding lots of fun things to do.

Today is a really special day, it's PALM SUNDAY. To find out more about this day, we thought you'd like to watch this [short movie](#).

Why not have a go at making your own Palm branch like the ones below, maybe you could ask your adult to take a photo of your finished product and email them to us so that we can see your masterpieces!

MAKE WAY FOR JESUS, KING OF KINGS!
