

Hello again, awesome Rock Stars!

It's been great to connect with you guys in lockdown... whether by text or zoom or in chance meetings on our daily exercise....! 😊

We are going to join with the adults in a series called 'Up Close and Personal.' It is basically about people who met with Jesus after He died and came back to life. As I mentioned last time, those meetings are so important for us to really think about! They give us stacks of evidence for that most amazing, mind-blowing event, so key to what Christians believe: that Jesus came alive again after He had been put to death on the cross...

Today we are looking at Thomas (- you might remember this story from a couple of years back...) Here are some things for you to do:

1. Check out the Bible account in John 20:24-31.
2. Have a think about...
  - ...the proof Thomas asks for in v 25 - personally, I don't blame him! I'd want some proof like that, too!
    - Do you ever wish there were more proof about God...?
    - What evidence is there actually to help us be sure about what we believe?
  - ...what Jesus says to Thomas in v 29 - that's us!!!
    - Think about that for a bit... how does that make you feel...?

As always, we would love to hear your thoughts or questions about this... you can email or text me, or use GeckoLife!

Here's Ava's favourite worship song at the moment - it talks about the kind of faith Jesus was speaking about and which we all need, as we cannot see Jesus for ourselves!

Let me know what yours is, and I'll post it next time!

Missing you and hoping to see you soon!
