

Hello again, awesome Rock Stars!

Question: what's the most embarrassing thing that's ever happened to you....? You know – that toe-curling, wishing-the-ground-would-open-up-and-swallow-you thing... We can all remember those awful feelings... ugh!

Today's character in nlc's 'Up Close and Personal' series knew lots about those kind of feelings. Her name is Mary Magdalene. You might know that she was one of Jesus' followers – But before she met Jesus her life was... well, let's say, a lot different...

Here are some things for you to do:

1. Perhaps watch Richard's talk with your mum or dad;
2. Check out the Bible account of the first Easter morning in John 20:1-18
3. Have a think about...
 - The way Jesus treats Mary – most other people wouldn't have been so kind to her!
 - What does that tell you about Jesus?
 - BRAVE step – pray about anything which makes you feel embarrassed or ashamed... know that Jesus wants to help you with whatever it is, that he always accepts you!

As always, we would love to hear your thoughts or questions about this... you can email or text me, or use GeckoLife!

Let me know what your favourite worship song is, and I'll post it next time!

Looking forward to seeing you soon!

Elaine, Martyn, Grace, and Mary
