

Hi again!

Before you watch today's message, grab a Bible, a piece of paper and a pen! Look up and write out these verses from the New Testament! What word and idea links them all...?

- Luke 4:18
- John 8:36
- 2 Corinthians 3:17
- Galatians 5:1

Lots of people who don't know God think Christians don't have much of this... but what do these verses tell us?!

Watch Joel's message with your parents. You will hear him say,

*'Today could be your Independence Day.'*

Talk with your parents about what that means – it's quite a grown-up idea, so be prepared to think!!

Each of these images is inspired by today's theme... which one do you like best? What do you think the person who made each image is trying to get across?

Have a listen to a great worship song about this here! [Jesus Culture](#)

As always, we would love to hear your thoughts or questions by email, text or on GeckoLife!

Hope to see you on zoom at some time this week!
